PROFILE

A national leader in secondary Christian schooling, presently running one of the oldest and most respected Christian high schools in America. Having extensive experience in both education and business, Dr. Frost played a pivotal role in turning Wheaton Academy from a struggling school to a market leader over the past 25 years. He speaks nationally and has published books and articles that have had wide circulation.

HIGHLIGHTS OF QUALIFICATIONS AND ACCOMPLISHMENTS

- Twenty-two years in business, first as the HR director for the company that was the world's largest trader of exchange-traded options. Concluded his business career as the CEO of an educational software company that topped \$20 million in annual sales.
- Association of Christian Schools International published his first book *Learning from the Best* and it has sold over 5,000 copies to Christian school leaders
- Has served on various boards including: Ritchie Capital, Emmaus Ministries, Faith Covenant Church, and is presently on the Terra Carta Investments, LeTourneau University, and Wheaton Academy boards.
