

## THE WHEATON ACADEMY

# 2021 TODD BEAMER BENEFIT GOLF OUTING

*HONORING THE 20TH ANNIVERSARY OF 9/11  
MONDAY, SEPTEMBER 13, 2021*

Proceeds benefiting scholarships  
at Wheaton Academy.

**Exclusively sponsored by  
Providence Bank.**

Former Wheaton Academy student Todd Beamer is remembered as a respected Christian leader and an example of a life lived fully devoted to Christ. In the words of his former soccer coach Gene Frost, "Todd was always a leader on the field. He made everyone around him better, especially when the game was on the line."

Those he never met remember Todd for his courage when life was on the line. Todd initiated the first successful counterattack during the terrorist attacks of September 11, 2001. With the words, "Are you ready? Let's roll," Todd led his fellow passengers in an attempt to retake control of United Flight 93. Although the lives of the passengers of Flight 93 were lost, Todd's actions saved many others and gave inspiration and hope to a nation. Todd truly was a leader.

Both Todd and his father David previously attended this event, but in 2001, Todd was preparing for a business trip the next day and was not able to attend. Also in 2001, former Wheaton Academy board member Jack Zimmermann delayed his trip back to his office on the 66th floor of Number Two World Trade Center so he could play in this outing. Because of this event, he was not in his office the morning of September 11, 2001.

This golf outing will be forever connected with Todd Beamer and the events of 9/11/2001. The Beamer family enthusiastically endorses this as a proper way to honor Todd and his life – by helping worthy students experience Wheaton Academy, students who would otherwise be financially unable to attend. It is our hope that these scholarship recipients will receive the same great Christian education that Todd received when he was an Academy student and will become the next generation of heroes.
