

Families,

The financial aid process at Wheaton Academy is officially open for the 2026-2027 school year.

Our records indicate that your family expressed interest in receiving financial aid from Wheaton Academy. To be considered for an award for the 2026-2027 school year, **we require your family to apply through the Blackbaud Financial Aid application starting as soon as October 16, 2025. We encourage returning families to apply by December 5, 2025 and new families to apply before December 31, 2025**, as over 80% of our financial aid awards are historically distributed by February.

YOUR CHECKLIST

- Visit wheatonacademy.org/affordable and click to access the [Blackbaud Financial Aid application](#)

You need to create a new account through Blackbaud Financial Aid and verify your information via email before you can log-in.

- Submit the Blackbaud Financial Aid application and upload supporting documentation to the application portal by December 31, 2025.**

We suggest gathering this paperwork before you apply to ease the application process.

The required documentation could include:

- Most recent W2 per working parent per job
- Most recent pay stubs per working parent per job
- Most recently filed federal tax returns (including 1040, 1040A, or 1040EZ with all schedules). Wheaton Academy permits families to use their 2024 tax returns to apply for financial aid until April 1, 2026. We then require 2025 tax returns after April 1, 2026 if any financial assistance is still available.
- Note: Your family may need to provide further documentation for your family's unique circumstances.

- Confirm receipt of the Blackbaud Financial Aid application**

The status of your aid application can be found on the Blackbaud Financial Aid homepage upon log-in.

*Please note that Blackbaud Financial Aid takes several weeks to process finished applications and verify submitted documentation. **The Blackbaud Financial Aid portal will directly email families reminders to complete any outstanding items, so please look for these notifications and respond accordingly.***

IMPORTANT INSTRUCTIONS AS YOU APPLY THROUGH BLACKBAUD FINANCIAL AID

- Please use **legal names** as you complete the aid application so the names appearing on this application will match the names Wheaton Academy has on file.
- Please enter **annual values** unless otherwise requested as you complete the application.
- Be sure to **add all dependents** on the financial aid application, not just those applying for aid at Wheaton Academy.
- In Household Information, within Section C, "Select a School," please enter **school code 12646** to represent Wheaton Academy and to avoid searching for the school.
- Be sure to select **"Save and Continue"** within each section to save your progress, should you need to revisit the application later.

- Once you submit your application, it can be **viewed but no longer edited**.
- Once you submit the application, the confirmation page will then list the **additional documentation** your family needs to submit to officially complete the process.
- These items can be uploaded under “Documentation” in the main tool bar of Blackbaud Financial Aid Management.
- For more assistance, please review detailed step-by-step instructions [HERE](#).

WHAT HAPPENS NEXT?

Wheaton Academy only awards financial aid to families that have been accepted to our school—**so we encourage you to apply for admission as you also apply for financial aid.**

In **mid-January 2026**, the Wheaton Academy Financial Aid Committee will review the recommended aid award for your family from Blackbaud. The Committee will then issue financial aid award decisions to families beginning **mid-January 2026**. The timing of your family’s aid decision will depend on your family’s completed application date and the application processing time through our partnering organization, Blackbaud Financial Aid Management. This award will be issued to your family through a notification from the Blackbaud Financial Aid portal. Over 80% of our financial aid awards are historically distributed by February, but we will continue to release financial aid awards in three subsequent rounds—one in February, one in March, and one in April, as funds remain available.

Then, should your family qualify for an award, your family will need to accept the financial aid award through the Blackbaud Financial Aid portal within one week’s time. The award will then be reflected on your Tuition Management account in May 2026 before billing for the 2026-2027 school year begins in June.

Please note: Awards are distributed as funds are available. There may be a season of a financial aid wait pool for families, even after awards begin to be issued. Thanks in advance for your patience should this possibility become a reality.

SOME COMMON QUESTIONS

Q: Should I wait to apply for financial aid until after my student is accepted to Wheaton Academy?

A: No—we encourage families to apply for financial aid and admission at the same time in order to receive the greatest consideration for tuition reduction. The financial aid application is separate from the admissions application.

Wheaton Academy only awards financial aid to families that have been accepted to our school. Furthermore, the Admissions Department starts accepting students in late November 2025.

Q: Who should complete this aid application?

A: Whomever the child resides with should complete this application whether it is a parent, grandparent, aunt/uncle, or legal guardian. There is a section within the application where you can enter contributions from non-custodial parents and relatives.

Q: Why do I need to input my spouse’s information if I am remarried, and they are not legally responsible for my children?

A: Blackbaud Financial Aid Management’s calculation works off the total household income, therefore including all income, whether the party is legally responsible for your children or not. The system, however, does take into effect your spouse’s expenses as well as their income. It is important to list all expenses that are asked of within the application.

Q: I am applying an incoming sibling for the 2026-2027 school year? Is there a separate process for new students?

A: No—your family’s Blackbaud Financial Aid application should include both your returning student(s) and new student(s). Additionally, your family’s financial aid award amount may be re-evaluated considering your family’s increased enrollment. We ask you to complete your financial aid application before December 5, 2025 so that your current and incoming student can receive a financial aid decision as soon as possible.

Q: I need help completing my Blackbaud Financial Aid application. Who do I contact?

A: If you have specific questions regarding your application and how to upload your required documentation, we recommend you contact Blackbaud Financial Aid Customer Service directly: 800-360-8027 or financialaidsupport@blackbaud.school. Their service is completely confidential.

If you have any other questions, please contact Pat Brooke in the Business Office at aid@wheatonacademy.org.

Q: Are all students who are offered admission also offered Financial Aid?

A: The Academy is committed to socio-economic diversity; however, we are not able to offer tuition reductions to every student who qualifies for both admission and a financial aid. Just as there are more applicants each year than available spaces at the Academy, more families request consideration for financial aid than there are funds available. A student may be accepted to Wheaton Academy but placed in a waitpool for a financial aid award.

Q: Would my family receive the same financial aid award year after year?

A: Families who pay reduced tuition because of a financial aid award can expect to receive similar levels of funding each year if their financial circumstances remain the same. Typically, families pay part of any annual tuition increase. However, every family must re-apply for financial aid each year and meet all stated deadlines.

Q: Are there any other factors that contribute to financial aid awards?

A: All aid awards are need-based; however, families must be current in their tuition payments to receive future awards.

Thank you in advance for your timely response.

Please let us know if you have any questions about our updated financial aid process

Kind regards,
Steve Karlson
